Notes to Editors

Mining, Minerals & Metals plc was established as a special purpose acquisition company to undertake an acquisition of one or more businesses (either shares or assets) that has operations involved in natural resources exploitation that it will then look to develop and expand. The directors of MMM have established a network of contacts internationally within the sector and will utilise independent third parties to provide expert advice where necessary.

Forward Looking Statements

Certain statements in this announcement are or may be deemed to be forward looking statements. Forward looking statements are identified by their use of terms and phrases such as “believe” “could” “should” “envisage” “estimate” “intend” “may” “plan” “will” or the negative of those variations or comparable expressions including references to assumptions. These forward-looking statements are not based on historical facts but rather on the Directors’ current expectations and assumptions

regarding the Company's future growth results of operations performance future capital and other expenditures (including the amount, nature and sources of funding thereof) competitive advantages business prospects and opportunities. Such forward looking statements reflect the Directors' current beliefs and assumptions and are based on information currently available to the Directors. Many factors could cause actual results to differ materially from the results discussed in the forward-looking statements including risks associated with vulnerability to general economic and business conditions competition environmental and other regulatory changes actions by governmental authorities the availability of capital markets reliance on key personnel uninsured and underinsured losses and other factors many of which are beyond the control of the Company. Although any forward-looking statements contained in this announcement are based upon what the Directors believe to be reasonable assumptions. The Company cannot assure investors that actual results will be consistent with such forward looking statements.
